Camper Sponsorship Program

PLEASE, DON'T LET FINANCES STOP THEM FROM EXPERIENCING THE LOVE OF JESUS CHRIST AT CATON'S ISLAND!

At Caton's Island we desire to "... run a high quality Christian camping experience." We do our best to price our camps as affordable as possible, while keeping our facilities well maintained.

Nevertheless, for some, these fees may be out of reach.

For that reason, we are looking for caring men and women, churches and businesses to contribute to a special scholarship fund that will allow Caton's Island Camp the ability to offer financial assistance up to 50% of the cost because of either spiritual or financial need. If you desire to help children and youth experience God at the Island, please consider contributing to our financial assistance program.

Some Reasons Why Campers Request Financial Assistance

- Single Parent Family
- Three or more children attending camp
- Lost of employment
- Major unexpected expense creating financial hardship
- Major illness
- Low income
